Your invitation to the international

INNOVATION DAYS 2017

27th and 28th April 2017

The highlights:

▶ **Complete production processes**

Let yourself be impressed by complete production processes! We combine different upstream and downstream process stages in cooperation with our partners.

▶ **Top-class specialist lectures**

Numerous specialists will share their knowledge with you on the topics of digital transformation, process automation, energy efficiency and further interesting areas on our stage.

▶ **Large partner exhibition**

Look forward to meeting numerous partner companies, amongst others from the fields of robotics, materials, material processing and printing technology, and use the opportunity to learn about new trends and technologies.

▶ **Experience innovations live**

We will introduce you to our most recent technical solutions based on different live demonstrations. Get inspired by our technology!

Visit beautiful Lüneburg

Why not combine your visit of the **INNOVATION DAYS on 27th and 28th April** with a lovely weekend in Lüneburg? The “Hanseatic City on the Salt” is located between Hamburg and Hanover and is regarded as one of the most fascinating cities in Northern Germany. Let yourself be impressed by the medieval cityscape, take a stroll through the historical old town or relax in the Lüneburger Kurpark (spa gardens).

We would be pleased to arrange a hotel for you or provide you with further event information!

Just give us a call or send us an email!
